

HAINAN CHINA • WORLD GREEN ROOF CONFERENCE 2011

Invitation Letter for

Hainan China • World Green Roof Conference (WGRC)

March 18-21st 2011

Dear _____,

We sincerely invite you to join “Hainan China • World Green Roof Conference (WGRC)” on March 18-21st 2011.

Hainan Island China, which has the reputation of Sunshine Island, ecological island, and healthy island, is the international tourism island and the largest Special Economic Zone (SEZ) approved by Chinese government. Hainan Island has paid much attention to environmental protection, developing a large number of scenic spots with tourism brand and high-end hotel, and making great efforts in energy-saving, low-carbon, roof-greening and vertical planting of architectures. Being well known for its beautiful natural scenery, Hainan attracts the people from all over the world.

This World Green Roof Conference (WGRC) will be held in the three most special cities of Hainan (Haikou, Boao and Sanya). WGRC wants to further the cause of roof greening, vertical planting and ecological restoration and improve the various technologies for ecological, environmental protection and

HAINAN CHINA • WORLD GREEN ROOF CONFERENCE 2011

sustainable development through international communication, issuing the Oscar awards of architecture greening, forum and training, qualification certification.
